

2024 County Candidate Resource Guide

Congratulations on choosing to be a candidate for public office. The information contained in this guide is a description of resources and services that Weber County Elections provides all candidates. Please familiarize yourself with these resources and feel free to contact us with any questions. (The State Candidate Manual is available at vote.utah.gov – Resources for Candidates, Political Groups & Parties).

CANDIDATE NAME

Your name will appear on the ballot **exactly** as you have written it on the Declaration of Candidacy form. After the filing period is over, no changes will be made to your name.

BALLOT POSITION

The order in which candidate names will appear on the ballot is determined by State statute *20A-6-305* that requires a randomized scrambling of the alphabet every two years by the Lt. Governor's Office. This list is known as the **Master Ballot Position List**.

The LG's office will determine this order on January 9, 2024. This is based on first letter of last name. If multiple candidates have a last name that starts with the same letter, the random alphabet will continue to the second letter of the name and so on.

CANDIDATE WITHDRAW

You may withdraw your candidacy at any time by submitting a **"Withdrawal Form"** to Weber County Elections. If a Withdrawal Form is not submitted, you will remain an official candidate regardless of your intentions. **However in order to have your name deleted from the ballot, a "Withdrawal Form" must be submitted 65 days before Election Day.**

Withdrawal forms submitted after the 65 day deadline will still be accepted and processed. Every reasonable effort will be made by the elections office to notify voters that any votes cast for this candidate will not be counted.
